

Paragon Aviation Group is pleased to add Safeair Media to their Strategic Partner Program, a first-rate group of vendors who offer exclusive pricing to their Paragon Preferred customers in a variety of aviation-related services and products.

"Safeair is excited to introduce our industry-leading safety cards to Paragon Preferred customers," said Ken Moninski, President of Safeair Media. "With new features such as PrintShield™ antimicrobial protection and touchless access to aircraft safety information, Safeair can enhance the cleanliness and hygiene of passenger cabins around the world."

Safeair Media has been providing quality passenger safety briefing cards that are displayed in the seatbacks of major commercial airlines, charter operations and corporate aviation fleets for over 30 years. To enhance their customer offerings, Safeair expanded their product line to also include upgraded cabin graphics and placards, graphic designs services and the licensing of its illustrations for electronic displays and aircraft marketing materials.

Updates from Honolulu

As regulations continue to evolve, Castle & Cooke Aviation wants to ensure you have the latest information.

- 10-day quarantine & mask mandates are still in effect
- Transpacific travelers may bypass quarantine with proof of a negative COVID test result no more than 72 hours prior to arrival from a [Trusted Testing & Travel Partner](#).
- Post-arrival negative tests and fully-vaccinated travelers are not exempt.
- Negative test results **must be** uploaded to your [Safe Travels Hawaii account](#) prior to arrival.
- Indeterminate or inconclusive results are not exempt.
- A traveler who was fully vaccinated in Hawaii may use their CDC vaccination card to travel interisland and bypass quarantine & pre-arrival testing.

As a side note, Hawaii currently has a severe car rental inventory shortage. Visitors should be aware of the availability & increased pricing. We recommend advanced reservation for car rentals. A one-day rental for an intermediate vehicle could start at \$300.

Exuma International Airport Breaks Ground on New Facility

Ground was broken, for the new \$65 million, Exuma Int'l Airport, representing the Bahamian Government's single largest investment in any Family Island airport in The Bahamas. [Read more.](#)

Key components of the construction are the new state-of-the-art terminal building, 7,000ft runway, taxiway and aprons, and a new FBO for Odyssey Aviation, who will be constructing their new FBO facility adjacent to the new terminal building.

The development will also include a new fire house and new air traffic control tower. The existing airport terminal and Odyssey Aviation will continue to operate until the new facilities are available for operation.

Brian Bourbeau: 2021 Team Leader of the Year

As Premier Jet Center has switched hands from one ownership group to another, many changes have occurred. Business doubled for five consecutive years from 2015 - 2019, and even with the challenges from the COVID-19 pandemic, business remained. With that growth, staffing and equipment needs have grown, too. Throughout this period of change, one thing has remained constant – the leadership that Brian Bourbeau brings to the line service department.

As Premier Jet Center has grown, Brian has grown his career with it, developing professionally while overseeing a rapidly expanding team.

For his ability to foster growth and aid in the FBO's evolution, Bourbeau has been named Ground Support Worldwide's 2021 Team Leader of the Year.
